Explain what is “keeping things personally”. What does it mean when someone says “don’t take it personally “

"Keeping things personally" means to take something said or done as a direct, intentional attack on one's self-worth, identity, or emotions.

When someone says "don't take it personally," they mean to separate one's personal feelings and self-image from the situation. It means to recognize that the other person's words or actions are not a direct reflection of one's self-worth.
