List 20 behaviors which can reveal a true character of a person

Here are 20 behaviors that can reveal a person's true character:

1. **How they treat people they consider beneath them.** This could be waiters, janitors, or anyone they perceive as having less power than them. Someone with a good character will treat everyone with respect, regardless of their social status.
2. **How they handle conflict.** Do they become aggressive and hostile, or do they try to resolve the issue calmly and fairly?
3. **Whether they keep their promises.** Someone who can't be counted on to keep their word is not someone you can trust.
4. **How they react when they make a mistake.** Do they take responsibility for their actions, or do they try to blame others?
5. **How they talk about other people.** Do they gossip and spread rumors, or do they speak kindly of others?
6. **Their work ethic.** Are they lazy and unreliable, or do they put in a hard day's work?
7. **Their level of empathy.** Do they care about the feelings of others, or are they self-centered and insensitive?
8. **Their sense of humor.** Do they use humor to put others down, or do they use it to make people laugh?
9. **Their spending habits.** Are they responsible with their money, or do they spend it recklessly?

10. **Their punctuality.** Are they always on time, or are they constantly late?
11. **How they treat animals.** People who are cruel to animals are often cruel to people as well.
12. **How they handle adversity.** Do they crumble under pressure, or do they rise to the challenge?
13. **Their level of gratitude.** Do they take things for granted, or are they grateful for what they have?
14. **Their willingness to help others.** Do they go out of their way to help those in need, or do they turn a blind eye to suffering?
15. **Their ability to take responsibility for their actions.** Do they blame others for their mistakes, or do they own up to them?
16. **Their level of sportsmanship.** Do they win and lose with grace, or do they throw tantrums when they don't get their way?
17. **Their honesty.** Do they tell the truth, even when it's difficult?
18. **Their integrity.** Do they do what is right, even when no one is watching?
19. **Their courage.** Are they willing to stand up for what they believe in, even when it's unpopular?
20. **Their capacity for forgiveness.** Can they forgive others who have wronged them, or do they hold grudges?
21. **How they use social media.** Do they post positive and uplifting content, or do they use social media to spread negativity and gossip?
22. **How they treat their family.** The way someone treats their family members can be very revealing.
23. **Their taste in entertainment.** What kind of movies, TV shows, and music do they enjoy? This can tell you something about their values and interests.
24. **Their hobbies and interests.** What do they do for fun? This can tell you about their personality and what they are passionate about.
25. **How they dress.** The way someone dresses can say a lot about their personality and sense of style.

26. **Their posture and body language.** Good posture and confident body language can indicate self-assuredness, while poor posture and fidgeting can be signs of nervousness or insecurity.
27. **How they listen to others.** Do they pay attention to what others are saying, or are they easily distracted?
28. **Their ability to take criticism.** Can they handle constructive criticism, or do they get defensive?
29. **Their level of patience.** Are they patient with others, or do they get easily frustrated?
30. **Their sense of humor.** Can they laugh at themselves, or do they take themselves too seriously?
31. **Their generosity.** Are they generous with their time and money, or are they stingy?
32. **Their humility.** Are they humble and down-to-earth, or are they arrogant and self-important?
33. **Their resilience.** Can they bounce back from setbacks, or do they give up easily?
34. **Their optimism.** Do they see the glass as half full or half empty?
35. **Their work-life balance.** Are they able to maintain a healthy balance between their work and personal life, or do they let work consume them?
36. **Their ability to take risks.** Are they willing to take calculated risks, or are they too afraid of failure?
37. **Their curiosity.** Are they curious about the world around them, or are they closed-minded?
38. **Their creativity.** Are they creative and innovative, or do they follow the crowd?
39. **Their independence.** Are they independent and self-sufficient, or do they rely on others too much?
40. **Their ability to adapt to change.** Are they flexible and adaptable, or do they resist change?

41. **Their decision-making skills.** Can they make sound decisions, or are they impulsive and reckless?
42. **Their problem-solving skills.** Are they good at solving problems, or do they get easily overwhelmed?
43. **Their emotional intelligence.** Are they aware of their own emotions and the emotions of others?
44. **Their ability to learn from their mistakes.** Do they learn from their mistakes, or do they keep repeating them?
45. **Their accountability.** Do they take responsibility for their actions, or do they blame others?
46. **Their work ethic.** Are they hard-working and dedicated, or do they cut corners and take shortcuts?
47. **Their attention to detail.** Do they pay attention to detail, or are they careless and sloppy?
48. **Their organizational skills.** Are they organized and efficient, or are they scattered and disorganized?
49. **Their time management skills.** Do they manage their time effectively, or do they waste time and procrastinate?
50. **Their stress management skills.** Are they able to handle stress in a healthy way, or do they let stress get the best of them?

By paying attention to these behaviors, you can get a well-rounded picture of someone's true character. It's important to remember that everyone is different, and there is no one-size-fits-all answer. However, by paying attention to these behaviors, you can start to get a better sense of the kind of person someone really is.
