List 20 Things Men or women Only Do When They Really Love You

## 20 Things Men or Women Only Do When They Really Love You

**Note:** While these are common behaviors associated with deep love and affection, individual experiences may vary.

### Things Men Often Do When They Love You:

1. **Prioritize You:** They make time for you, even when their schedule is busy.
2. **Remember Details:** They remember small things about you, like your favorite coffee order or a funny story you told.
3. **Support Your Dreams:** They encourage your ambitions and are proud of your accomplishments.
4. **Protect You:** They feel a strong desire to keep you safe and happy.
5. **Open Up to You:** They share their thoughts, feelings, and vulnerabilities with you.
6. **Respect Your Boundaries:** They understand and respect your limits.
7. **Make Sacrifices:** They are willing to compromise and make adjustments for the relationship.
8. **Introduce You to Important People:** They want you to meet their friends and family.

9. **Show Physical Affection:** They initiate physical contact, like holding hands or hugging, as a way to express their love.
10. **Make Future Plans:** They envision a future with you and discuss long-term goals.

### **Things Women Often Do When They Love You:**

1. **Express Gratitude:** They appreciate the little things you do and show their gratitude.
2. **Listen Attentively:** They give you their full attention when you're talking and actively listen to your concerns.
3. **Surprise You:** They plan thoughtful surprises to show their affection.
4. **Take Care of You:** They offer support and care when you're feeling down or sick.
5. **Nurture Your Connection:** They make an effort to maintain a strong emotional bond.
6. **Trust You:** They have faith in your honesty and loyalty.
7. **Support Your Passions:** They encourage your hobbies and interests.
8. **Make You Feel Special:** They go out of their way to make you feel loved and appreciated.
9. **Initiate Intimacy:** They feel comfortable expressing their desires and initiating physical contact.
10. **Share Their Dreams:** They open up about their hopes and aspirations for the future.
